

SELECTED CERTIFICATED SALARIES AND RELATED STATISTICS 2000-01

*A Compilation of Selected Salary Statistics from
"2000-01 Salary and Benefits Schedule for the Certificated Bargaining Unit (Form J-90)"*

California Department of Education
School Fiscal Services Division

SELECTED CERTIFICATED SALARIES AND RELATED STATISTICS, 2000-01

In May 2001, every California school district and county office of education was given the opportunity to complete an optional form entitled, "2000-01 Salary and Benefit Schedule for the Certificated Bargaining Unit (Form J-90)." This form requests salary schedule information, employee placement on the salary schedules by full-time equivalents, bargaining unit bonuses paid for selected services, salaries and days of service for school principals and superintendents, and health and welfare benefits by carrier with amounts paid by the district or county office per employee. This data is useful to California school districts and county offices, employee bargaining units, school consulting agencies, academic institutions and state policy makers. The California Department of Education (CDE) additionally uses this material for completing specified information required for the School Accountability Report Card (*Education Code* Section 41409.3).

Participation in this survey is voluntary and thus there is less than 100 percent reporting of all school districts and county offices. Each school district and county office of education was, however, encouraged to respond by written communications from the CDE and from School Services of California, Inc. (SSC), CDE's contracting agency for compilation of this material. Additionally, districts who had not responded and whose average daily attendance (ADA) exceeded 1,000 were telephoned by SSC a minimum of two times and encouraged to complete the survey. This report includes 889 district and county office responses.

To ensure the validity of the data, each survey was checked for reasonableness before being input into the database. After input, the data was reprinted and checked again. Finally, the printed schedule was mailed to the school district or county office for confirmation. Over 854 agencies, or 96 percent of total respondents, answered the confirmation request, and any changes were then incorporated into the final database.

We are pleased with the final response by school districts and county offices. This report is the most comprehensive certificated salary and benefit data available in the state, and includes information from 85 percent of school districts and county offices of education representing 99 percent of the state's ADA.

The actual 2000-01 teacher salary schedules, health and welfare benefit amounts, and other selected statistics for each responding agency are available for download from the Internet at the California Department of Education FTP site <ftp://ftp.cde.ca.gov/sfsdiv/salarysurvey/0001/>. This data may also be purchased from School Services of California. Any questions regarding ordering should be directed to Kathe Carter at School Services (916) 446-7517 ext.120. Should you have questions related to the data, please contact the California Department of Education at (916) 322-1770.

DEFINITIONS

Table I - 2000-01 Certificated Teacher Salary Profile by County and by District

This table provides summarized J-90 information by local education agency (LEA) within each county. Explanations for the columns shown in Table 1 are as follows:

<u>Headings</u>	<u>Description</u>
CO	The two-digit code specifying the county in which the districts are located. Counties are in order alphabetically and assigned a corresponding numerical code with, as an example, Alameda County = 01 and Yuba County = 58.
District Name	The name of the school district or county office of education.
Total Salary Schedule F-T-E	The total certificated full-time equivalent (FTE) employees that are paid on the salary schedule. One FTE represents one full-time employee; an FTE of .5 represents an employee who works 50 percent of the full-time employee's hours. This may include certificated employees such as nurses, librarians and counselors in addition to teachers.
Lowest Schedule Salary Offered	The amount indicated is the lowest salary that would be paid to an employee from the certificated salary schedule. The amount indicated is the lowest scheduled salary only and does not include salaries for extended year, bonuses for special accomplishments such as a master's or doctorate degree, or payment for extra-curricular services such as coaching, drama or music. For most districts, this salary is the beginning teacher salary. In order to earn this salary, the teacher may or may not be required to hold a full teaching credential.
Lowest Schedule Salary Desc.	Description of the schedule salary column where the lowest salary is offered. The descriptions are coded as follows:

<BA	= Less than Bachelor Degree
BA	= Bachelor Degree
BA+ number of units	= Bachelor Degree with specified number of units
BA< number of units	= Bachelor Degree with up to specific # of units
BA+CR	= Bachelor Degree + Credential
BA+PC	= Bachelor Degree + Pre-credential
BASE	= Base Salary
BT	= Beginning Teacher
CA	= Contract Amount

CC	= Clear Credential
EC	= Emergency Credential
I	= Intern
NC	= No Clear Credential
PC	= Pre-Credential
PR	= Provisional
VOC	= Vocational
YR00	= First Year Teachers
YEARS	= Year of services

Average Schedule Salary Paid

The average salary that is paid to an employee on the certificated salary schedule. The average salary is determined by dividing the total salary schedule cost by the FTE. The average indicated represents scheduled salaries only and does not include salaries for extended year, bonuses for special accomplishments or payment for extra-curricular services such as coaching, drama or music. Bonuses for master's or doctorate degrees are included only if the amounts are an integrated characteristic of a salary schedule column.

Highest Entry Level Step

The number indicated is the local agency response to a request for the "Highest entry level for an experienced teacher (indicate step)." If the report indicates "NR" in this column, the district did not respond to this question.

Highest Schedule Salary Offered

The amount that is the maximum salary that would be paid to an employee from the certificated salary schedule. The amount indicated is the highest scheduled salary only and does not include salaries for extended year, bonuses for special accomplishments or payment for extra-curricular services such as coaching, drama or music. Bonuses for master's or doctoral degrees are included only if the amounts are an integrated characteristic of a salary schedule column.

Salary at Bchlr + 60 Step 10 Offered

The amount that would be paid to an employee at step 10 with a requirement of a bachelor's degree plus an additional 60 semester units. If the district did not have a BA + 60 column on its schedule, the salary reflected is that amount paid for the next lower column on the schedule. As an example, if the salary schedule reflected characteristics of columns "BA + 56" and "BA + 64" this summary would reflect the salary paid at BA + 56, which is the next lowest salary column..

No. of Service Days Required	Each district was requested to respond to the question, "number of scheduled/required service days for returning teachers." The survey report indicates the district's response to that question.
2000-01 P-2 ADA	Revenue limit average daily attendance (ADA) for 2000-01 regular P-2 ADA is indicated. This also includes the charter school ADA if the salary schedule includes the charter school FTE. The ADA indicator is the best measure of district student attendance. "N/A" is indicated for county offices of education because they are funded on a different basis.
% Chg. Salary Over 1999-00	The percentage change for the 2000-01 Salary Schedule over the 1999-00 schedule as reported by the responding district.

At the end of Table I in the Overall Totals section, statewide overall totals are reflected for the following columns, Total Salary Schedule F-T-E, and 2000-01 P-2 ADA. The amounts representing the lowest salary offered, the highest salary offered, and the highest salary offered for a certificated employee at Step 10 (BA degree plus 60 units) for the entire state are shown at the end of Table I. The statewide averages for the average salary paid, the lowest salary offered, the highest salary offered, and the average salary offered for an employee at Step 10 with a BA degree plus 60 units, and number of service days required are reflected under "Total Statewide Averages."

Table II - 2000-01 Certificated Teacher Salary Profile by County and by District by Type

This table represents a summary of Table I organized by county. The number of responding LEAs by type is shown. Explanations for the columns shown in Table II are as follows:

<u>Headings</u>	<u>Description</u>
County	Each county's data is detailed by type (county office, elementary, high school, unified, or common administration).
Number of LEAs	The number of local educational agencies that responded to the survey is displayed by type.
Total Salary Schedule FTE	The total certificated full-time equivalent (FTE) employees summarized by type of district within each county.
Total Salary Schedule Cost	The total salaries paid certificated employees on the regular teacher salary schedule. This amount is calculated by multiplying the amount of the annual salary indicated on the salary schedule times the number of FTEs. These totals are summarized by type of district within each county.
Average Schedule Salary Paid	The average salary that is paid to an employee on the teacher salary schedule. The average salary is determined by dividing the total salary schedule cost by the FTE. This information is summarized by type of district within each county.
Highest Schedule Salary Offered	This amount represents the highest salary that is offered in the county by type of district.
Mid Point Salary Offered	This amount represents the midpoint between the highest and lowest salary offered in the county by type of district.
Lowest Schedule Salary Offered	This amount represents the lowest salary that is offered in the county by type of district.

At the end of Table II under the Grand Totals section, the total number of LEAs that responded to the survey, the total salary schedule FTE, and the total salary schedule cost have been totaled by type of LEA. The highest, the lowest, and the midpoint salary offered statewide are also summarized by type of LEA. In the Total Statewide Average section, the average salary paid and the averages of the highest, midpoint and lowest salaries offered are shown.
